Thanks to Duncan and his team for running a good show and to Euan McConnell for judging the Handy event. Well done to Andy Clark with Max along with Maiden winner, Alastair Eggers with West who go through as the Marlborough qualifiers for the South Island Final at West Otago Show in November. Thanks to the on-going support from TUX and Raro being on site over the weekend. To the Flaxbourne Club for the many years running the Handy event from when it was held on Mike and Kate Forsyth's property and the to the beautiful venue of Richmond Brook Massive thank you all. It is now time this event will move to a new location next season. Well done everyone involved
