Comments: A grey morning with a touch of moisture first thing in Mangamingi this morning but the blue patches are increasing so hopefully we will see some sun this afternoon. A very picturesque setting with plenty of green grass (yes, there are a number of us very envious of this!)

The Taranaki team have done an extraordinary job bringing these championships to the fore and should be extremely proud of their achievements.

We are all looking forward to a great week catching up with old friends and making new ones, with plenty of banter and camaraderie as always.

Good luck to all involved 🖾
